About InPost S.A.

InPost (Euronext Amsterdam: INPST) is the leading out-of-home e-commerce enablement platform in Europe. Founded in 1999 by Rafal Brzoska, InPost provides delivery services through our network of Automated Parcel Machines ("APMs"), as well as to-door courier and fulfilment services to e-commerce merchants. Strategically positioned in the fast-growing e-commerce market, InPost's strategy is further enhanced by our investments in technology, as well as the benefits of the "flywheel" effect that provide consumers, merchants and our planet a best-in-class, lower cost, more convenient and sustainable form of last mile delivery. Through our delivery services, InPost is creating a greener solution for e-commerce.
