February 15, 2023

Dear InPost S.A.,

Thank you for submitting your greenhouse gas emission reduction target(s) to the Science Based Targets initiative (SBTi) for a net-zero validation.

Our team has assessed InPost S.A.'s near and long-term target(s) against the SBTi net-zero criteria and criteria (version 5) and after careful review, we are happy to inform you that your submitted target(s) have been approved.

Basic information about your company and the approved target(s) will be listed on the [Science Based Targets website](https://sciencebasedtargets.org). The following agreed target wording will be used:

Overall Net-Zero Target

InPost S.A. commits to reach net-zero GHG emissions across the value chain by 2040 from a 2021 base year.

Near-Term Targets

InPost S.A. commits to reduce absolute scope 1 and 2 GHG emissions 42% by 2030 from a 2021 base year. InPost S.A. also commits that 69% of its suppliers by emissions covering purchased goods and services, capital goods, and upstream transportation and distribution, will have science-based targets by 2027.

Long-Term Targets

InPost S.A. commits to reduce absolute scope 1 and 2 GHG emissions by 95% by 2040 from a 2021 base year. InPost S.A. also commits to reduce absolute scope 3 GHG emissions by 90% within the same timeframe.

Since your company is in the first group of companies to receive approval for net-zero targets, the feedback report is not yet available at this time and will be sent when finalized internally.

Congratulations on your approved science-based targets!

Kind regards,
The Science Based Targets initiative
