This is a joint press release by InPost S.A. ("InPost" or the "Company") and IS Iris Lux Bidco S.à r.l. (the "Offeror"). This joint press release is issued pursuant to the provisions of Section 15, paragraph 2 of the Netherlands Decree on Public Takeover Bids (Besluit openbare biedingen Wft) (the "Decree") in connection with the recommended public offer by the Offeror for all the issued and outstanding share capital of InPost (the "Offer", together with the transactions contemplated in connection therewith the "Transaction"). This press release does not constitute an offer, or any solicitation of any offer, to buy or subscribe for any securities in the Company. Any offer will be made only by means of an offer memorandum (the "Offer Memorandum") approved by the Dutch Authority for the Financial Markets (Autoriteit Financiële Markten) (the "AFM") which has been published on 22 May 2026, and subject to the restrictions set forth therein. Terms not defined in this joint press release will have the meaning as set forth in the Offer Memorandum. This joint press release is not for release, publication or distribution, in whole or in part, in or into, directly or indirectly, any jurisdiction in which such release, publication or distribution would be unlawful.

Offer Period of InPost Offer extended until 18 September 2026

Amsterdam & Luxembourg, 22 July 2026 – With reference to the Offer Memorandum, the Offeror and InPost announce that the Offer Period has been extended to accommodate the updated timetable for obtaining the outstanding competition clearances and will now end on 18 September 2026, at 17:40 hours CEST.

Extension

The Offer Period has been extended because the ongoing regulatory reviews by the European Commission and the Vietnamese Competition Commission are expected to continue beyond 27 July 2026, the end of the initial Offer Period.

The European Commission is expected to issue its decision in relation to the transaction in the second half of August 2026. The Vietnamese competition clearance process is expected to be completed ultimately by 8 September 2026, it being noted that InPost does not conduct any business in Vietnam. The Closing Date as referred to in the Offer Memorandum has therefore been extended to 18 September 2026, at 17:40 hours CEST to allow InPost shareholders sufficient time to tender their Shares under the Offer following the expected completion of both clearance processes.

During the extended Offer Period, any Shares previously tendered will remain tendered under the Offer, subject to the right of each Shareholder to withdraw the Shares already tendered in accordance with Section 5.4.5 (*Withdrawal rights*) of the Offer Memorandum and Section 15, paragraph 3 of the Decree.

Status of Regulatory Clearances

The process to obtain the necessary Regulatory Clearances remains on track. Competition clearances from the European Commission and the Vietnamese Competition Commission are the only outstanding Regulatory Clearances required for the transaction to proceed (see Section 6.6.5 of the Offer Memorandum). The Offeror and InPost continue to work closely and constructively with the European Commission and the Vietnamese Competition Commission with a view to obtaining the outstanding clearances in accordance with the timetable set out above.

Notice to Company shareholders in the United States

The Offer will be made for the Shares of the Company, a public limited company incorporated under the laws of Luxembourg with its Shares listed on Euronext Amsterdam. It is important that U.S. shareholders of the Company understand that the Offer and any related offer documents are subject to Dutch disclosure and procedural requirements and Luxembourg corporate law, which are different from those of the United States. U.S. shareholders of the Company are advised that the Company's Shares are not listed on a U.S. securities exchange and that the Company is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934 (the "Exchange Act"), and is not required to, and does not, file any reports with the Securities and Exchange Commission (the "SEC") thereunder.

The Offer will be made in the United States in compliance with, and in reliance on, the exemption provided by Rule 14d-1(d), known as "Tier II" exemption, under the Exchange Act and otherwise in accordance with the requirements of Dutch law. Accordingly, the Offer will be subject to certain disclosure and other procedural requirements, including with respect to the Offer timetable and settlement procedures that are different from those applicable under U.S. domestic tender offer procedures and laws.

The receipt of cash pursuant to the Offer by a U.S. holder of the Company's Shares may be a taxable transaction for U.S. federal income tax purposes and under applicable state and local, as well as foreign and other tax laws. Each holder of the Shares is urged to consult their independent professional advisor immediately regarding the tax consequences of acceptance of the Offer.

It may be difficult for U.S. holders of Shares to enforce any rights and claims arising out of the U.S. federal securities laws, since the Company is located in a country other than the United States, and some or all of its officers and directors may be residents of a country other than the United States. U.S. holders of Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

Neither the SEC nor any U.S. state securities commission has approved or disapproved or passed judgment upon the merits or fairness of the Transaction or determined whether this press release is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.
